

## **COMMITTEE FOR EXTRA-CURRICULAR ACTIVITIES**

The overall development of a personality is achieved through academics as well as social development. The social development is facilitated through extra-curricular activities that aim at all round development and help a student evolve beyond books. In order to facilitate the students, the extra-curricular committee is working in college with full of activities.

### **Objectives**

- 1) To organize seminars, workshops, guest lectures, demonstrations and stage performances on various topics relating to cultural and fine arts by inviting eminent people in their respective fields to take part in these programs.
- 2) To conduct informal activities to sensitize the academic world with the hope to enrich the motive of students and make them aware of their social responsibilities and understand the implications of their actions.
- 3) To organize activities to orient students towards standards of equality, justice and a humanist culture.

### **Role and Responsibilities**

- 1) Coordination and promotion of all social, cultural, fine arts, and other extra-curricular activities.
- 2) Conduction of various fine arts and cultural competitions in the institution.
